

## Scavenger Hunt

- 1) Pick a card to start. Write the number of the selected card in the 1<sup>st</sup> box.
- 2) Write a proportion for the similar triangle and find the length of the missing side.
- 3) Locate the card with the correct length.
- 4) Write that card number in the 2<sup>nd</sup> box *and then continue* until you reach your first card again!

[illegible]
